June 2025 Newsletter

Hi to all our members

– hard to believe we are half way through the year already!

June was a very busy month for the Club, with many sports tournaments, entertainment and of course the official 125 Year Celebrations.

Thanks again to everyone involved in organising the events for the 125 celebrations – apologies for not being able to attend many of these, but unfortunately I was ill the week everything was happening.

The last weekend of June saw the club host the inaugural Bruce McCarrison pool competition. Great to see nearly 70 entries – well done to Sue, Chris and everyone who made the tournament such a success. Well done also to all the winners!

Our new manager, PJ, has been in his position for a few weeks now and has met many of you already. If you haven't met him yet, please do not hesitate to say hi and introduce yourself when you see him in the club.

You will have been notified of a Special General Meeting being held in the Hudson Room on Tuesday 15 July at 4.00pm. This meeting is being held to adopt our updated Constitution (required for us to re-register as an Incorporated Society). It would be appreciated if as many members as possible could attend this meeting – further information on this is in this newsletter. Hard copies of the Draft Constitution are available at the club and any questions on the draft can be asked prior to the meeting.

You will all be aware that we have a website with information on upcoming activities and the club in general. We also have a Facebook page (Levin Cossie Club) that provides members with up to date information – if you use Facebook, it is a good idea to follow the page so you can be informed of activities you may be interested in.

Have a great July – I look forward to seeing you in the club
